## WORK EXPERIENCE

### I WORK AS A FREELANCER

I've been working as a Freelancer since February 2022, in this year I had my first job as Web Developer, in that job I had to make a Portfolio Website for a Architect.

## SUMMARY

I am Jesús A. Nieves, I'm 20 years old and I live in Venezuela, I'm a student of the fifth semester of informatic engineering. Since 2019 at the age of 16 I decided to be a Front-End Programmer, since then I have been learning different technologies on my own, thus being able to develop interesting web projects.
